

## **We Welcome Public Interest and Communicate Openly**

The Black Hawk County Gaming Association Board of Directors generally meets the third Monday of each month at 4:00 p.m. The meeting is held in the INRCOG Board Room located at 229 East Park Avenue, Waterloo, Iowa.

The board meetings are open to the public. The public may present information to the board, after having received prior approval and the presentation must be part of the meeting agenda. Requests to appear on the agenda should be directed to the Executive Director.

The board does not encourage grant applicants to make presentations in person in support of their projects. As a general rule, each written grant application, as presented, will stand or fall upon its own merits, without further elaboration. However, the board, at the members' discretion, may agree to a personal presentation if a project is particularly complex or when there are other unusual or extenuating circumstances.
